REFERENCE: VALE TRADERS CC t/a TARPAULIN & CANVAS - REGISTRATION NUMBER 2001/035094/23

Dear Sir/Madam,

I am writing this letter to confirm the services of Vale Traders CC, Trading as Tarpaulin & Canvas to you.

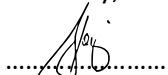

During the past 12 months our company has been working with Clayton Heyns in South Africa and his team on the Portatank project. Vale Traders offers a high-quality product combined with specialised patronage. I can say that our Company have always been satisfied by their product, services and continuous support.

Since January 2019 we were able to supply Papua New Guinea with well over 400 Portatanks with more in transit. Vale Traders were able to customize the Portatanks to suit our requirements for the Pacific Islands by adding additional accessories such as reducers, taps and leave strainers. In addition, their marketing support in promoting the product was well received and we were able to present the product on a few international expo’s in Papua New Guinea.

We currently providing a footprint in the Australian market and recently received a shipment of Portatanks and marketing material from Vale Traders to commence launching the product in Queensland.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Wynand Skein
Manager Director
Masslift Queensland Pty Ltd
